- 2) **Privacy.** To the extent there are any privacy or other laws and regulations restricting the collection, use and distribution of personally identifiable information, GHPC makes no representation as to whether any such laws and regulations may require you to obtain consent from any Authorized User (or the parent or guardian of such user) in your administration of Authorized Users access to the Products and/or services licensed hereunder. The Products and services provided by GHPC typically do not require the entering or capture of personally identifiable information by or for the use of GHPC.
  - 3) **Fees and Payments.** Fees for the Products are due for payment and will be paid within thirty (30) days of your receipt of the GHPC invoice. Renewal pricing will be provided annually for subsequent renewal periods.
  - 4) **Term and Termination.** For subscription based Products, this Agreement shall continue until the Expiration Date listed on the Fee Schedule, an attached invoice or an accepted purchase order to this Agreement or, if the subscription is renewed, until the new Expiration Date. In the case of Products for which a one-time license fee is paid for continual or perpetual access to the materials, the license shall terminate only upon your breach of this Agreement. GHPC may suspend delivery of Products to you if you fail to comply with your obligations under this Agreement and GHPC can pursue any other legal remedy available to it.
  - 5) **Linking.** Subject to Publisher Restrictions, you may link to search results or materials contained in the Products licensed. The security embedded in these links is your responsibility and only on-site users and/or Authorized Users are permitted access to the Products or the materials contained therein consistent with Sections 1(b) and 1(f) of this agreement. GHPC SPECIFICALLY DISCLAIMS ANY RESPONSIBILITY FOR DETERMINING THE COMPATIBILITY OF ANY HARDWARE OR SOFTWARE NOT SUPPLIED BY GHPC WITH THE PRODUCTS AND PROVIDES NO WARRANTY WITH RESPECT TO THE OPERATION OF SUCH HARDWARE OR SOFTWARE WITH THE PRODUCTS.
