The Licensor shall not suspend access without first providing written notice to both Consortium and the relevant Member. Forthwith, after suspending such access the Licensor shall issue a notice to the Member and Consortium of the breach, specifying the activity of the Member that caused the breach. - 9.2 **TERMINATION OF SUBSCRIPTIONS.** On termination all rights and obligations of the parties automatically terminate.
- 9.3 **TERMINATION WITH PERPETUAL RIGHTS.** On termination, the Licensor must fulfill obligations in respect of Licensed Materials to which access continues to be permitted as provided in **2.2 [Perpetual Access]**. If Member loses the ability to access its Purchased Content online through Licensor (e.g., if Licensor discontinues online access services), or if the Purchased Content is otherwise eligible for local loading, Member may obtain digital copies upon certifying that it will secure and restrict use of the Purchased Content as contemplated under this Agreement, using systems and technology at least as protective as Licensor's. In the case of Audio, any local access must be restricted by DRM and be limited to one (1) simultaneous user (unless the Member tracks the necessary playbacks and makes all royalty payments to copyright holders for mechanical and performance rights). All use of the materials delivered continue to be subject to this Agreement, as per 2.2 [Perpetual Access]. File transfer costs, if any, are Member's responsibility.
- 9.4 **EARLY TERMINATION FOR PAYMENT DEFAULT.** The Licensor may terminate this Agreement by notice to the Consortium if the Consortium willfully defaults in making payment of the License Fee as provided in this License Agreement and fails to remedy such default within sixty (60) days of notification in writing by the Licensor.

- 9.7 **EARLY TERMINATION FOR FINANCIAL EXIGENCY OF CONSORTIUM.**

The Consortium may terminate this Agreement if public funding of the Consortium or funding of the Consortium by its Members is materially reduced, and the Consortium thereby becomes unable to pay future amounts payable pursuant to this Agreement. The Consortium will give the Licensor notice of such termination and this Agreement shall terminate effective sixty (60) days after the giving of such notice.

- 9.8 **EARLY TERMINATION BY A MEMBER.** The performance of a Member of its obligations under the Agreement shall be subject to and contingent upon the availability of funds provided, allocated, or allotted in institutional budgets for the purpose of the Agreement for the current and future license term. If a Member executes this option in a single year or multi-year agreement, no refund of payments already received by Licensor will be owed to the Consortium or Member. The determination of whether funds are available shall be made in the sole discretion of the applicable Member. The termination of participation by any Member will not constitute a default or a termination of participation of any other Member under the Agreement and shall not be grounds for any increase in fees payable by other Members. Upon termination, a Member has the ability to exercise its rights under 2.2 [Perpetual Rights].
- 9.9 **EARLY TERMINATION REFUND FOR LICENSOR BREACH.** In the event of early termination for Licensor Breach, the Member shall be entitled to a refund of any fees or pro-rata portion thereof paid by the Member for any remaining period of the Agreement from the date of termination. - 10.2 **AMENDMENT.** Alterations to this Agreement are only valid if they are recorded in writing and signed by both parties. Schedules will be updated to reflect renewal of term fees and member participation details, to the original Agreement.
- 10.3 **ASSIGNMENT.** This Agreement may not be assigned by either party to any other person or organization without the prior written consent of the other party, nor may either party sub-contract any of its obligations, except as provided in this Agreement in respect of the management and operation of the Server and the Licensor's Representative, without the prior written consent of the other party, which consent shall not unreasonably be withheld. The rights and obligations of this Agreement shall bind and benefit any successors or assigns of the parties.

- 10.5 **NOTICES.** Any notices to be served on either of the parties or on a Member by the other shall be sent by registered mail, electronic mail, or courier to the address of the addressee as set out in this Agreement or to such other address as notified by either party to the other as its address for service of notices. Licensor shall not be liable hereunder if (i) any infringement or violation claim is based solely upon the use of the Licensed Materials in combination with programs, equipment or devices not of Licensor origin, design or selection; or (ii) any infringement or violation claim arises out of your use of the Licensed Products in a manner contrary to the rights granted in the Agreement, including use contrary to intellectual property law. This indemnity shall survive the termination of this License for any reason.
- 10.7 **DEEMED MEMBER BENEFIT.** Licensor represents and warrants that all benefits, warranties, and other terms and conditions with the Consortium of this Agreement are and will continue to be no less favorable than those currently being, or which will be offered by the Licensor to Members directly on their own Agreements. The maximum liability for both parties, if any, under this Agreement, or related directly or indirectly to the Licensed Materials, whether in contract, tort or otherwise, shall be limited to the total amount of yearly fees paid by a Member to the Licensor.

Except for the express warranties stated herein, the Licensed Materials are provided on an “as is” basis, and Licensor disclaims any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof, including any and all implied warranties of quality, performance, merchantable quality or fitness for a particular purpose. Licensor makes no warranties respecting any harm that may be caused by the transmission of a computer virus or other such malicious computer program.
