# ABI/INFORM Collection

Comprehensive and diverse, helping today's researchers solve tomorrow's problems

**BY KEEPING UP** with the needs of researchers worldwide, we have grown the ABI/INFORM Collection into the world's most comprehensive and diverse business database. The number of journals available in active full text has more than doubled in the last three years as we have added additional scholarly and non-scholarly content based on feedback from business researchers. The ABI/INFORM Collection now has more of the information needed by business researchers than any other single source available.

The ABI/INFORM Collection contains the following databases:

- **ABI/INFORM Global** – core scholarly content including thousands of full-text scholarly journals, periodicals, dissertations, and collections of working papers, as well as *The Wall Street Journal*, *The Economist*, and other major business presses.
- **ABI/INFORM Trade & Industry** – applied content including market research reports, journals, magazines, and periodicals relevant to trade and industry.
- **ABI/INFORM Dateline** – the most streamlined version, containing regional business news and wire feeds. For more resources and even better value, consider ProQuest's Business Premium Collection.

#### Subject areas include:

- Accounting
- Business
- Business trends
- Competitive landscape and product information
- Corporate strategies
- Economic conditions
- Finance
- Management techniques
- Management theory

#### The ABI/INFORM Collection offers:

**The most important journals.** Read the full text of key journals from the world's most important scholarly publishers such as Cambridge University Press, Palgrave Macmillan, Emerald Group Publishing, Springer, MIT Sloan School of Management, and many others.

**The most influential business news.** Keep up to date with current full text of the most widely read business news publications. ProQuest's ABI/INFORM Collection is the only business database where researchers can find full text of *The Wall Street Journal*, *The Economist*, *Financial Times*, and *Australian Financial Review*.

**Cutting-edge thinking.** See the latest academic thinking first by accessing more than 500,000 working papers from Research Papers in Economics (RePEc), INSEAD, and The Organisation for Economic Co-operation and Development (OECD).

**Comprehensive collection of relevant literature.** Find even more relevant academic thought and conduct a more thorough literature review by searching almost 50,000 business-related dissertations.
